Perceptions of God and America have been inextricably linked since the Founding Fathers declared, "Congress shall make no laws prohibiting the establishment of religion or the free exercise thereof" In this book, each concept is explored separately. Soul Chronicles delves into real life scenarios that resulted in revelatory answers explaining such concepts as, why we are all sinners at birth, Satan's purpose and methods, and why mankind needs to be in close relationship with God for everyday living. The Ministry of America provides information about America's monetary blessings from and why it is of vital importance to our future to keep God in the center of our system. The author's purpose is to inform, inspire, and drive the reader to action independently of his own opinions and hopes. If knowledge is power then this book's purpose is clearly designed to lead its readers to personal empowerment.

DoC BiC's history as a disciple of Christ is long and complex. His life as a physician, surgeon and career military officer (Colonel) was built upon a spiritual foundation dating as far back as he can remember, or as he puts it: "at least since a toddler on my mother's lap in devoted church life." Doubting that he ever did consciously not believe in God, and Christ as his Savior, he does note his public formal declaration as early as around the age of twelve, already well into a Christian life of worship. Growing up in the projects of Bradenton, Florida afforded the early honing of prayer skills and spiritual warfare. And, his subsequent migration through various Protestant denominations and Catholicism helped him develop a mature view of the commonality of true worship as well as an appreciation of the divisiveness of bias within the body of Christ. He credits non-biblical doctrine and tradition as a severe stumbling block until God finally rescued him from it. Now, as he makes his rounds through non-denominational fellowships, his grey-haired perspective advances into senior mentoring and blessing of his brothers and sisters, in his love for the Kingdom of God. Long ago recognizing his calling into the office of Teacher, he has pursued his studies and support intermixed with his secular careers, always devoted to staying attuned to God's next mission for him. He partners with a devoted wife of 36 years who wears a mutually beneficial gifted intercessory prayer calling, as

well as being blessed by gifted callings upon his children, equally beneficial and mutually supportive. His only pursuit today is to "Be Still," hear his Father's voice, and then move out: "I was born into death, I died into birth, and now I live in immortality to serve my Father."

God's Revelation of Sound Light & Darkness

I always knew I was different. From a young age, my mind has been plagued with things only I could see. Some hauntingly beautiful, others completely terrifying. Never knowing if these visions were real or just hallucinations, I learned how to lock them down and ignore them. I learned to take solace in the relative anonymity of city life and find peace in the rainy days my city of Seattle is known for. But just when I think my life is getting on track and my dreams are achievable, a moment of weakness causes me to learn a hard and fast lesson. My entire existence has been a lie. Now I'm faced with a new reality that's as implausible as it is fantastical. Filled with realms and veils, light and dark, fae and daemons, gods and angels—things I don't understand but am forced to acknowledge. It doesn't help that the man teaching me about my unique gifts is the gorgeously handsome Carrick Byrne, one of Seattle's richest and most powerful men. He intimidates, annoys, and intrigues me all at the same time. I don't trust him and yet there's no one else to help me. No longer certain who to put my faith in, what to believe, or how I fit into it all, one revelation is clear... The world as I

know it will never be the same again.
