Primo Michele Levi was an Italian Jewish chemist, partisan, Holocaust survivor and writer. He was the author of several books, collections of short stories, essays, poems and one novel. His best-known works include *If This Is a Man*, his account of the year he spent as a prisoner in the Auschwitz concentration camp in Nazi-occupied Poland; and *The Periodic Table*, linked to qualities of the elements, which the Royal Institution named the best science book ever written. Levi died in 1987 from injur

The Survival Chemist (#C-562): David A. Howard, Eliezer

Care at the Chemist is a service provided by pharmacies in Liverpool for the treatment of some minor ailments. Pharmacists are able to provide treatments for an agreed range of conditions. This means that the patient does not need to visit their GP for a prescription. The service is free for those people who don't
