Axel never expected that one day could change his entire life. He never thought that one day could haunt him, torment him, and surround him in darkness. Not seeing a way out, Axel finds solace in the bottom of a whisky bottle. He finds solace hiding away from life, from his family, and from their worry and disappointment. But there is one person he can't hide from: Patience. He can't hide from her emerald eyes. They pierce his soul. They are the only light to break through the darkness, a beacon of light he cannot keep away from. Patience is a biker at heart. The Satan's Outlaws were her family; a family she broke away from. She couldn't bring herself to be a part of that life anymore. She needed to be free, to live her life without them. But in trying to build a life for her and her daughter, she found herself feeling trapped with nowhere to turn. The moment she sees Axel, the moment she sees the pain and sadness in his eyes, she is drawn to him. She should keep away from him, she has her own hell to deal with, but she finds herself not being able to stay away. When messed up attracts messed up, can they come together and make something beautiful and strong? Will love be enough to break through the darkness? Will Axel be able to defeat The War Within? Axel and Patience's journey is one with many twists and turns, but it's one they won't have to face on their own. The Satan's Outlaws and the Locke family will be with them every step of the way, ensuring there will never be a dull moment, and bringing laughter and inappropriate comments. The War Within is the final book in The Locke series. Containing violence, hot alphas, and sassy women.

Current Biography Yearbook

Presents four detailed narratives dealing with small units which took part in combat operations in Europa and Asia in World War II. In particular, it covers: France: 2nd Ranger Battalion at Pointe du Hoe; Saipan: 27th Division at Tanapag Plain; Italy: 351st Infantry at Santa Maria Infante; France: 4th Armored Division at Singling. Provides solid, uncolored material for a better understanding of the real nature of modern battle. Provides concrete, case-history material which company and field-grade officers can use to find out what actually happens in battle. Illustrated.
